March 18 - Zionists Fan WW3 Fever

March 18, 2025

"He's not Jewish anymore. He's a Palestinian."

<https://www.thetruthseeker.co.uk/?p=305270>

"With these words, US President Donald Trump did not merely insult Democratic Senator Chuck Schumer - he exposed something far more insidious. In Trump's world, Palestinian is not just a nationality. It is an accusation, a sentence of exile, a mark of delegitimisation."

Makow - Essentially anyone -- Jewish or Gentile -- that refuses to worship Cabalist Jews as God will be guillotined according to the Noahide Laws. Trump and Schumer represent the Zionist and Communist routes to enslavement and death.

"Even Jewishness is no longer protection. Your identity has become conditional, your history disposable. You can be declared a traitor, an enemy within, someone who has forfeited their place. The moment you question Israel, you become Palestinian - not by birth, but by decree. Because in this world, a Palestinian has no rights, nor does anyone who defends them."

A new McCarthyism is taking hold in America, and this time, it is not communists in its crosshairs. It is anyone who refuses to fall in line with Israel's agenda.

Trump and his allies have built their brand on railing against political correctness. They claim to be defenders of free speech, warriors against censorship. Just a few weeks ago, Trump's vice president, JD Vance, stood at the Munich Security Conference and scolded European leaders for restricting expression. He lamented the West's supposed retreat from free debate.

And yet, in the US under Trump and those who champion his ideology, free speech does not apply if the topic is Israel. Pro-Palestinian students are arrested, expelled and stripped of their degrees. Professors who challenge Israeli policies are pushed out. Journalists who report on Israeli war crimes are blacklisted, harassed and silenced. Films documenting Palestinian suffering are cancelled. Human rights organisations are smeared as terrorist sympathizers."

Seventy-Seven Retired Generals and Admirals Call for Supporting Israeli Attack on Iran

<https://www.frontpagemag.com/seventy-seven-retired-generals-and-admirals-call-for-supporting-israeli-attack-on-iran/>

"There is also the possibility that the American military would take part with Israel in attacking Iranian targets, including nuclear facilities, ballistic missiles, and economic targets -- oil fields, oil storage tanks, oil refineries, and oil terminals at the port of Bandar Abbas.

The letter should have a salutary effect on the Trump team, and on the war-planners now in the Pentagon. Bunker-buster bombs, B-2 bombers to deliver them, and whatever else Israel would need to destroy Iran's nuclear facilities should be provided posthaste. And in Iran, the ruling mullahs and military men who read this letter will be in a state of terminal alarm and confusion, or as Confucius famously said, they will "no longer know where to put their hands and feet."

"No, it's not just you -- people really are less smart than they used to

be.

As the Financial Times reports, assessments show that people across age groups are having trouble concentrating and losing reasoning, problem-solving, and information-processing skills -- all facets of the hard-to-pin-down metric that "intelligence" is supposed to measure.

These results, the FT reports, are gleaned from benchmarking tests that track cognitive skills in teens and young adults. From the University of Michigan's Monitoring the Future study documenting concentration difficulties of 18-year-old Americans to the Programme for International Student Assessment (PISA) that measures the learning skills of 15-year-olds around the world, years of research suggest that young people are struggling with reduced attention spans and weakening critical thinking skills.

Entire

families wiped out as Israel bombs Gaza's residential areas

<https://theuglytruth.xyz/show-them-no-mercy-families-arrive-at-gaza-hospitals-with-remains-of-their-children-in-their-hands/>

'Now go and attack Amalek and totally destroy all that belongs to them...Do not spare them, but put to death the men and women, the children and suckling infants, as well as their cattle, sheep, camels and donkeys.' 1 Samuel 15:3

Palestinians in Gaza were jolted awake by Israel unleashing a new wave of attacks on Gaza which killed at least 404 people and wounded 562.

The attacks on Tuesday not only shattered a period of relative calm in Gaza during the Muslim holy month of Ramadan but also the fragile ceasefire deal that the Trump administration negotiated between Israel with Hamas.

Request for information- Can anyone send insight into why the WEF gave up on the COVID pandemic hoax? They had us on the ropes! hmakow@gmail.com

G-"Well, not all of us were on the ropes; many kept throwin' punches. But I believe the shift happened because the plight of the 'vaccine' injured kept escalating. More and more doctors came out to expose that which was hardly tested and then administered, resulting in great suffering, and/or premature death. Some doctors actually named it a 'bio-weapon.'

But not to worry, there's always war and starvation. They'll come after us one way or another. Let all free people with thinking minds speak their minds like never before. We are the good and we can't let evil win."

Dr. Vernon Coleman: The End of Medicine

"Doctors are now being told (and paid) to let patients die

rather than to keep them alive."

<https://lionessofjudah.substack.com/p/dr-vernon-coleman-the-end-of-medicine>

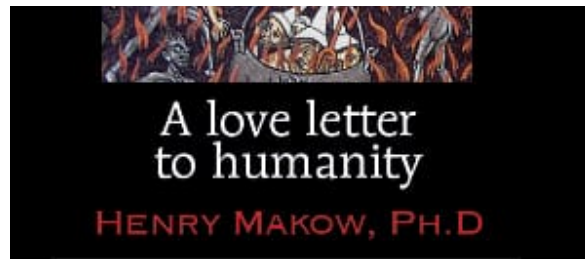

The medical establishment has arbitrarily decided that to protect the world from imaginary global warming, doctors must dramatically change the way they work. As a result, doctors are abandoning patients, tradition, established practices and their responsibilities. The carefully calculated, planned result will be that countless millions of patients will die.

Bob Rae, left, says Donald Trump's goal in Canada

is *'theft by force'*

"Fighting back will (be) hard, but it is the fight of our lives,' 76-year-old Canadian ambassador to the United Nations writes on X

<https://nationalpost.com/news/canada/bob-rae-donald-trump-canada-theft>

Bob Rae--"To emphasize, this is not about borders or fentanyl. This is about a colossal land, water and resource grab. The tariffs are intended to weaken so this theft can take place. We're not talking "purchase" or "buying". We're talking theft by force. Fighting back will hard, but it is the fight of our lives.

By annexing Canada and Greenland, the United States would simultaneously seize massive wealth and control both the Northwest Passage and surrounding waters. You need to see the Arctic Ocean at the centre."

The "Pardons" that Sleepy Joe Biden gave to the Unselect Committee of Political Thugs, and many others, are hereby declared VOID, VACANT, AND OF NO FURTHER FORCE OR EFFECT, because of the fact that

they were done by Autopen. In other words, Joe Biden did not sign them but, more importantly, he did not know anything about them! The necessary Pardoning Documents were not explained to, or approved by, Biden. He knew nothing about them, and the people that did may have committed a crime. Therefore, those on the Unselect Committee, who destroyed and deleted ALL evidence obtained during their two year Witch Hunt of me, and many other innocent people, should fully understand that they are subject to investigation at the highest level. The fact is, they were probably responsible for the Documents that were signed on their behalf without the knowledge or consent of the Worst President in the History of our Country, Crooked Joe Biden!

Gov. Spencer Cox says he will sign a bill that prohibits adding fluoride to public water systems, a move that would make Utah the first state to impose a fluoride ban.

The new legislation is slated to take effect in early May. Meanwhile in Calgary, the city began adding fluoride to the water system in February, sparking an outcry from doctors and special interest groups.

REVEALED: Foreigners may be arrested after arriving in UK for breaking country's broad hate speech laws

The American Center for Law and Justice (ACLJ) has issued a warning to Americans regarding the potential risks of traveling to the UK due to its hate speech laws affecting social media posts.

According to the ACLJ, the UK government has indicated it may prosecute Americans for social media content posted while in the US if that content violates the UK's broad hate speech regulations.

Thousands of British citizens have been arrested in recent years, and many jailed, for offensive or anxiety-causing social media posts -- most notably after the Taylor Swift dance class terror slayings in Southport in 2024.

Tim Fitzpatrick - Trump Controlled by KGB-Mossad Part VII

March 16, 2025

"Hopefully by now, one can see that Trump is a sexually compromised pervert controlled by a joint KGB-Mossad compromise (kompromat) operation to direct the U.S. presidency towards world Communist aims, which is less overt than control through the Democrat side of things, since Trump poses as a conservative and, laughably, a Christian."

Trump Controlled by KGB-Mossad Part VII

<https://fitzinfo.net/2025/03/16/trump-controlled-by-kgb-mossad-part-vii/>

By Timothy Fitzpatrick
(henrymakow.com)

It's been nearly five years since this author wrote the last piece in this series and a lot has happened, but nothing that wasn't difficult to predict. Only the level of depravity and treason is shocking. This and the following installment will provide more evidence of Trump's treason and perhaps tie up any loose ends in this traitorous affair.

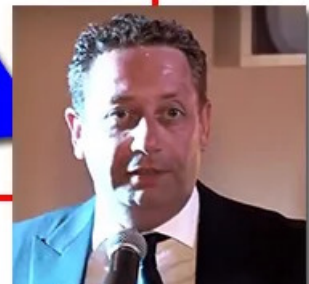

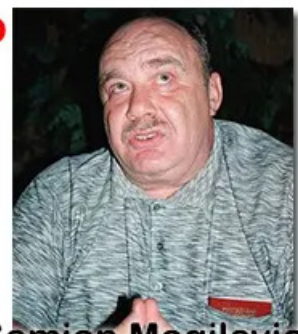

Star witness Giuffre seems to confirm Farmer's claim of Trump's sexual abuse of teens

The star witness in the whole Epstein affair arguably is Virginia Giuffre (formerly Roberts). Although she has denied personally seeing Trump abuse underaged girls, she admitted that he knew about the abuse at the hands of Epstein and Maxwell but did nothing. Interestingly, she seems to support the testimony of Maria Farmer, a lesser known Epstein witness, about whom this author wrote in Part VI, where Trump and his then wife Ivana were facilitating and participating in the child sex abuse. On January 14, 2021, this author tagged Giuffre with a specific quote from Farmer and a link to Part VI of this series.[1] She liked the Tweet.

This author made a screen recording of it to prove the like, in case someone suspected photoshopping of the screen capture.[2] Farmer's testimony seems very credible. There doesn't seem to be a financial motive to name Trump, which wasn't part of her general claim against Epstein. Furthermore, naming someone as high profile as the U.S. President could possibly get one killed, and Farmer likely knew this but did so anyway. Credit to her bravery. With Ghislaine Maxwell now in jail (currently she is seeking a presidential pardon from her old friend Donald Trump)[3]., Epstein dead, and Ivana also dead, we may never know the truth about Ivana's involvement, but we see the patterns, which I think is enough.

Trump is a Chabad Gangster. This is his mob.

Ivana's Polish-Bronfman connection to Epstein

This author wrote about Ivana, Trump's KGB-tied Soviet ex wife, in parts I, IV, and especially in VI, before she died in 2022 (under mysterious circumstances, in this author's opinion)[4]. It's no surprise that Jeffrey Epstein had 14 phone numbers to the Trumps in his contact book, some of which included numbers to Ivana and even to Trump's current wife Melania, whom Epstein claims was introduced to Trump by him.[5]

From Ivana's Palm Beach home, where she allegedly went down the street to help Ghislaine Maxwell recruit high school girls for Epstein's revolving-door teenage harem, she employed the wife and daughter of Epstein's Polish national butler Janusz Banasiak.[6] The butler previously worked for a Manhattan family and ran a conference centre for the Bronfman family's Seagrams distilleries.

The Russian-Jewish Bronfman family are considered the Rothschilds of North America and became rich bootlegging during prohibition. However, the Bronfman's power was not enough to keep American heiress and daughter of Edgar Bronfman Sr. Claire Web Bronfman from prison time for her involvement in the NXIVM sex cult, which carried out sex trafficking.

Readers of this series will remember that Trump is connected to the Bronfman's through the gay, Jewish, mobbed up lawyer Roy Cohn and Russian-Jewish mob boss Meyer Lansky and his organized crime syndicate. So important was Cohn to Trump that he regularly called Cohn over a dozen times a day. Epstein, who himself was born through two sets of Russian--Jewish grandparents, is also tied to the Bronfmans through financier Les Wexner (also Trump connected), who helped Charles Bronfman set up the Study Group, also known as the Mega Group, the same year as the fake collapse of Communism in

1991.[7] Interestingly, Epstein's little black book had not only contacts for Ivana but also for one Edgar Bronfman.

Vance added that unchecked immigration in the EU could have repercussions for the US, as some individuals might eventually seek entry into America. "I want Europe to thrive. I want them to be an important ally. Part of that is going to be Europe respecting its own people, respecting its own sovereignty, and America can't do that job for them," he said.

In February, Vance delivered a fiery speech at the Munich Security Conference, criticizing European leaders for fearing their own voters and failing to uphold democratic values while censoring opposing voices under the pretext of combating "disinformation."

"The threat that I worry the most about vis-à-vis Europe is not Russia, it's not China, it's not any other external actor... what I worry about is the threat from within," Vance said in a speech that Trump later described as "very brilliant."

'This isn't war. It's genocide': Why the world is silent about massacres in Syria

Survivors of the violence against the Alawite, Christian, and Druze communities shares their stories with RT

<https://www.rt.com/news/614269-to-them-we-werent-people/>

In one of the darkest nights in Syria's recent history, coordinated attacks on rural Latakia resulted in mass executions. Survivors tell of masked men storming their villages, dragging families from their homes, and carrying out public executions. Those who resisted were burned inside their homes, leaving behind entire neighborhoods reduced to smoldering ruins.

Testimonies from survivors suggest that many of the perpetrators were foreign fighters, brought in from regions far from the Middle East.

"They didn't even speak our language," an elderly survivor told RT.

"They had no idea who we were, no reason to hate us - except that they were told to."

Entire villages have been abandoned, their populations either massacred or displaced. Satellite imagery confirms what survivors describe - rows of torched homes, mass graves hastily covered, and ghost towns where life once thrived.

The bloodbath in Tartus: A slaughter without mercy

Tartus, once a thriving coastal city, has become another graveyard.

HTS fighters stormed residential areas, conducting door-to-door massacres. Families were accused of supporting the government or practicing the 'wrong' faith before being lined up and shot. Those who were not executed on the spot were locked inside buildings which

were then torched.

A local journalist, speaking anonymously for fear of reprisal, described the scale of the killings.

Have you heard? Republican lawmakers in the state of Minnesota
have introduced legislation to officially classify Trump Derangement
Syndrome (TDS) as mental illness under state law. (S.F. No. 2589)

This is one of the greatest acts of proposed legislation I've ever seen.
And it's been introduced by Senate Republicans in Minnesota of all
places. Minnesota is the state that first legalized black crime.

As you recall, when George Floyd died of a fentanyl overdose while
resisting arrest for committing a felony, lawmakers in Minnesota called
for defunding the police and declared that no black person should ever
be arrested for any crime ever again. Floyd's bloated corpse was given
god-like status and his followers, almost all of them liberal White
women, declared war on White men. That was Minnesota then.
Minnesota today is introducing a bill to officially label such behavior as
mental illness.

Now, just to be clear, disagreeing with Trump's policies or with the man
himself is not TDS. I disagree with some of Trump's policies and
tactics myself. (The military strike on Yemen is a good example.) What

constitutes true Trump Derangement Syndrome is the unmitigated hate that so many millions of people have toward the man himself, irregardless of his policies. Just the mention of Trump's name will send such people into spastic, spittle-flying rage.

You've probably seen people like that yourself, or at least heard about them. They are impossible to reason with or engage in any type of conversation. It's as if they are possessed by demons, which they probably are.

NO CURE FOR TDS

There's no known cure for Trump Derangement Syndrome. Now I've written before about how there's no such thing as an "incurable" disease. All

disease can be cured and usually quite easily. But those are physical illnesses - cancer, arthritis, etc. Trump Derangement Syndrome is a form of mental illness for which no one has ever been cured.

Actually, I take that back. There is a cure for TDS, a very simple cure, but no one suffering from TDS is ever going to apply it, so it might as well be called incurable. That cure consists of praying the Rosary. Unfortunately, TDS sufferers will recoil in horror if you so much as mention that to them.

I actually wrote about TDS in a novel that I penned way back in 2016 called *"A New America."* At that time, no one had even heard of TDS and the term had not yet been invented. But I saw it coming like a freight train. By the way, everything pertaining to the future that I wrote about in that book - a work of fiction almost ten years old - has since come true.

The bill that Senate Republicans in Minnesota have introduced calls TDS "psychic pathology." Pretty strong stuff. I'm wondering if the bill passes whether Minnesotans will call the police on their neighbors and report them for signs of psychic pathology and mental illness. If so, will it then lead to an increase in the population of the state's mental institutions? I'm not sure whether most rational people would disagree with such an increase if it helps takes mentally deranged individuals off the streets.

J

ust look at what Trump has accomplished over the last eight weeks. He's uncovered massive fraud and corruption across every level of government, he's taken great strides to end the Russia/Ukrainian war, and he's appointed Robert F. Kennedy to go after poisonous food manufacturers and drug companies. And yet millions of people are against those things. The rank and file of the Democrat Party cannot differentiate themselves from Trump the man and his policies. Neither can the upper echelon of the party, as we've seen with so many corrupt judges and other officials now exposing themselves as traitors and TDS sufferers.

Remember, too, that these are the same people who wanted to forcibly inject you during the phony pandemic. They wanted dissenters and Covid truth tellers locked away in internment camps. For years now, they've wanted to molest your children; to castrate your son and cut

the breasts off your daughter and turn them into trannies. They've worked for decades to legalize everything that's sick and twisted in society today. **If such people end up in straight jackets and psych wards, would you be upset?**

March 15 - Satanyahu Pounding the Drum for WW3

Please send urls and comments to hmakow@gmail.com

Satanyahu has been trying to drag the US into a war with Iran for decades.

Iran is just an excuse for Netanyahu to fulfill his 1991 promise to Chabad Rebbe Schneerson to start a nuclear catastrophe to summon the Jewish Messiah according to Biblical prophecy. (See meme below.)

Now that fellow Chabad gangster Donald Drumpf is in charge, they should be able to keep this promise.

If Iran's rulers were on the level, they would have nuclear weapons. That is the best way to secure lasting peace. Iran's

rulers are Freemasons like Netanyahu, Trump and Putin. It's all a charade to bring on WW3 and kill the goyim and assimilated Jews. Depopulation is the goal.

Latest- US bombs Yemen. How long will Americans tolerate being proxies for a genocidal state? Israel.

How long will Jews continue to be trapped in the Soros-Musk Left-Right Communist-Zionist matrix?

When will they denounce *both Zionist genocide and Soros Communist globalism.*

<https://www.dailymail.co.uk/news/article-14502873/air-strike-Yemen-Sanaa.html>

After all these years, why do the Houthis, Hezbollah, Syria and even Iran have such limited air defence capacity? Smacks of a charade.

BREAKING: U.S. Boots South African Ambassador, 'Persona Non Grata.'

<https://thenationalpulse.com/2025/03/14/breaking-u-s-boots-south-african-ambassador-persona-non-grata/>

President Donald J. Trump's Secretary of State, Marco Rubio, announced late Friday that the United States had dismissed South Africa's ambassador, Ebrahim Rasool. The South African government

diplomat, while participating in a foreign policy seminar at the Mapungubwe Institute for Strategic Reflection (MISTRA) in Johannesburg, referred to President Trump as a white supremacist and declared that the ideology was a motivating factor for the MAGA movement."South Africa's Ambassador to the United States is no longer welcome in our great country. Ebrahim Rasool is a race-baiting politician who hates America and hates @POTUS," Secretary Rubio announced in a post on X (formerly Twitter). He added: "We have nothing to discuss with him and so he is considered PERSONA NON GRATA."

The Death of Free Speech in America?, by Philip Giraldi - The Unz Review

<https://www.unz.com/pgiraldi/the-death-of-free-speech-in-america/>

Donald Trump and his band of Zionist stooges have finally hit rock bottom with their arrest and threatened deportation of a student who had admittedly helped organize nonviolent campus demonstrations against the Israeli slaughter of the Gazans. This was followed by threats directed by Trump against a highly respected congressman who has been critical of a number of issues involving both the administration's foreign policy and congress. At heart, both were and are First Amendment free speech issues and both rely on a White House presumption that because it names someone as a "threat" it has to provide no evidence that that is actually the case. And there in the Israel exception rule in place that allows the Jewish state to avoid any consequences for its actions. Any and all "free speech" which is critical of or offensive to the foreign nation to which most American politicians and much of the fawning mainstream American media owe their primary allegiance clearly is considered outside the pale of acceptable behavior, even when supportive of every value and principle to which US governments have hypocritically claimed to adhere.

Jon Rappoport Gateway Pundit and Revolver don't have the balls or brains to blow the CDC out of the water

In 2 breaking articles, I laid out the whole sordid CDC vaccine-autism scandal centering on William Thompson. Read those pieces.

It's all there. Corruption, federal crimes, betrayal. And that scandal directly impacted the Senate's decision to dump Dave Weldon as new CDC director.

Dave knows the scandal, chapter and verse. He knows a few of the players. And behind his bland exterior, he has the courage to expose it. Now. Which would take MAHA and Kennedy and Health Freedom and America to a whole new level.

Two big-time conservative sites, *The Gateway Pundit* and *Revolver*, barely mentioned the fact that Weldon didn't make it as new CDC chief.

SOROS-FUNDED NGOS EXPOSED--MOBILIZED TO WREAK HAVOC ACROSS AMERICA!

<https://x.com/JimFergusonUK/status/1900439542810767810>

The mask is off. Investigative journalist Natalie Winters has exposed a network of Soros-funded NGOs actively fueling chaos and division in the United States. These groups aren't just protesting--they are paid agitators, strategically deployed to disrupt, intimidate, and destabilize.

THEIR TARGETS?

Conservative town halls--shut down by organized mobs.
Tesla dealerships--firebombed and vandalized as Musk stands against globalists.

Pro-Trump rallies--hijacked by professional disruptors to create optics of "unrest."

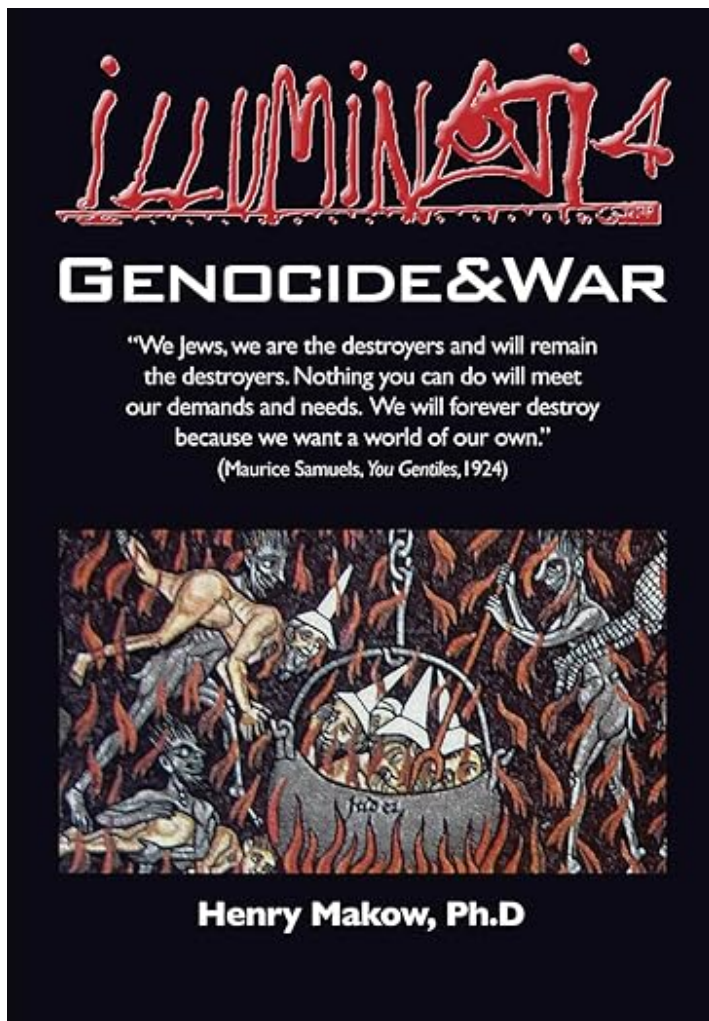

WHO BENEFITS FROM THIS ENGINEERED CHAOS?

George Soros and his network of radical NGOs, pulling the strings behind the scenes.

The Democratic elite, desperate to regain control as Trump's influence grows.

The corporate media, running cover for the paid mobs while ignoring real issues.

ENOUGH IS ENOUGH. Trump must act--it's time to go after Soros and cut the head off the snake. The days of allowing unelected billionaires to fund domestic subversion must end.

Cheating in Early Votes is Off the Charts

[Bigger Text](#) | [Default Text](#) | [Smaller Text](#) |

October 31, 2024

Here we are, only two weeks into early voting to select the next president, and already the cheating is off the charts.

By Mike Stone
(henrymakow.com)

Ballots in Wisconsin, Virginia, and other states have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. <https://www.thegatewaypundit.com/2024/10/third-county->

[pennsylvania-finds-fraudulent-mail-ballot-request/](#)

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

<https://www.thegatewaypundit.com/2024/10/frustration-boils-as-pennsylvania-voters-witness-non-english/>

Voting lines in Republican counties have been shut down early:

<https://www.thegatewaypundit.com/2024/10/voter-suppression-bucks-county-emergency-services-shuts-down/>

A Pennsylvania GOP committeewoman was handcuffed and arrested for telling frustrated citizens to stay in line and vote:

<https://www.thegatewaypundit.com/2024/10/breaking-pennsylvania-gop-committeewoman-taken-away-handcuffs-encouraging/>

And an ABC news station aired a "test result"

showing Harris winning Pennsylvania by a margin of 52%-47%:

<https://www.thegatewaypundit.com/2024/10/interesting-timing-local-abc-news-station-mistakenly-leaks/>

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands:

https://www.americanthinker.com/articles/2024/10/does_georgia_s_algorithm

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this. <https://x.com/i/web/status/1851356742044491854>

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024

Reply from Savvy Granny

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

Remember the French Revolution, [which alone we call 'Great' in some translations]for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the

destruction of the Western societies and economies .

The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.

destruction.

Ukrainians would think they are fighting against expansionist Russia, struggling for independence.

Ukrainians will become fully subdued by us. The same will be thought by Russians, as though they defend their national interests.

These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out."

The Khazarian Empire existed for several centuries until Russian Prince Svyatoslav in year 965 took both their City and their White Temple.

He is a Jewish puppet like every other candidate

He supports Israeli psychopath and terrorist, Bibi Netanyahu.

His daughter Ivanka converted to Judaism (2009) before marrying Jewish media filth, Jared Kushner (owner and publisher of New York Observer).
His son, Eric married Jewish media filth Lara Yunaska (2014).
His is very cozy with many Wall Street con men and has even stated that he intends to bring in these Wall Street scumbags if elected president.
